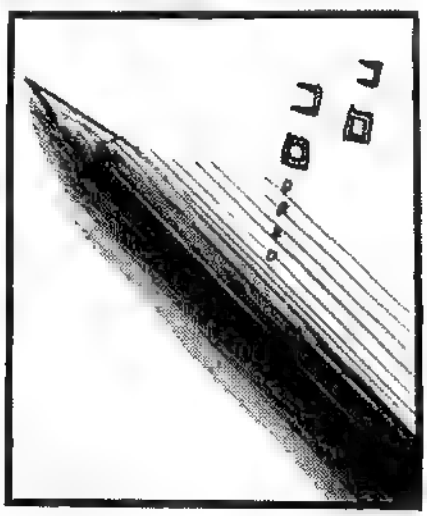
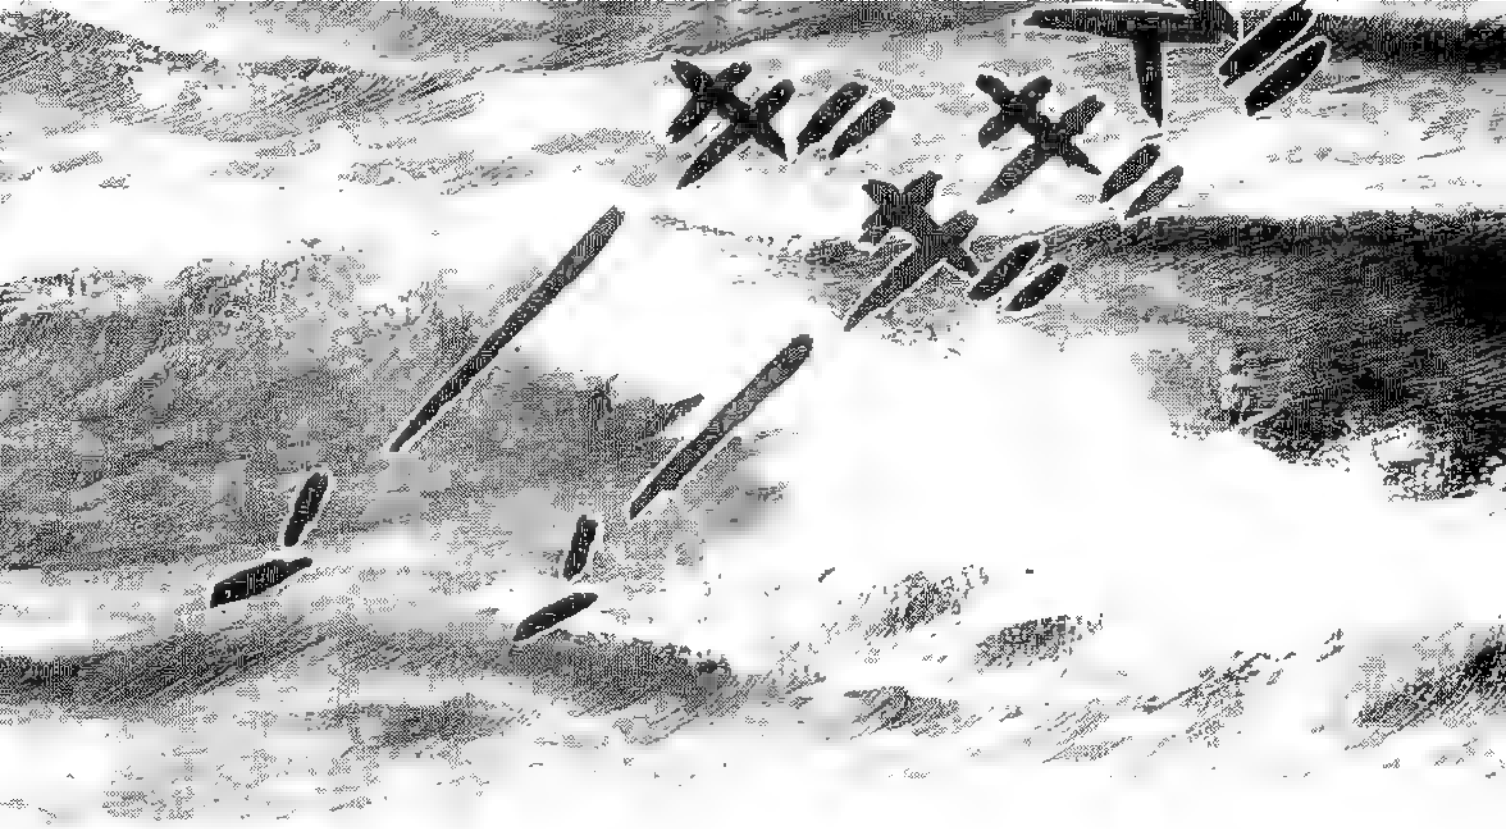
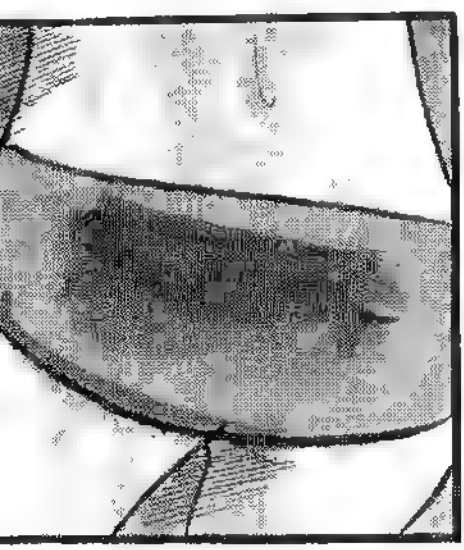
Chapter 8: Where Am I Going!?

Ooh...
Aaahh!!

RUMI...







Hahaha...
Ahahah!

Kyah!
Kyah!
Waaait!
Ahaha!
I finally
got you!
AiEEE!

Eeeek!
Yu...

バシャ
バシャ
バシャ
Stop it, Yu!
Please, Yu, stop it!
NO!
Rumi ...
Rumi, I'm...

Ooh..
Why am I getting these delusions every night...?
Why...
Shut up!

Ahh ...
I haven't been able to concentrate on my studies at all lately!!
Am I a failure...?
Am I...
No, that's not it, I'm...
No...

I'M not a fail-ure at all...
I'M Spider-Man!

I'm a superhero! Look! Look at me! I'm the strongest man in the world!
HAHAHAHAH!

Hahahahahahah! But that's not what I want!
Who could dare defy the great Me!?
I'm the friend of the weak!
If I wanted to, I could take over the world!
All you shabby, petty humans...

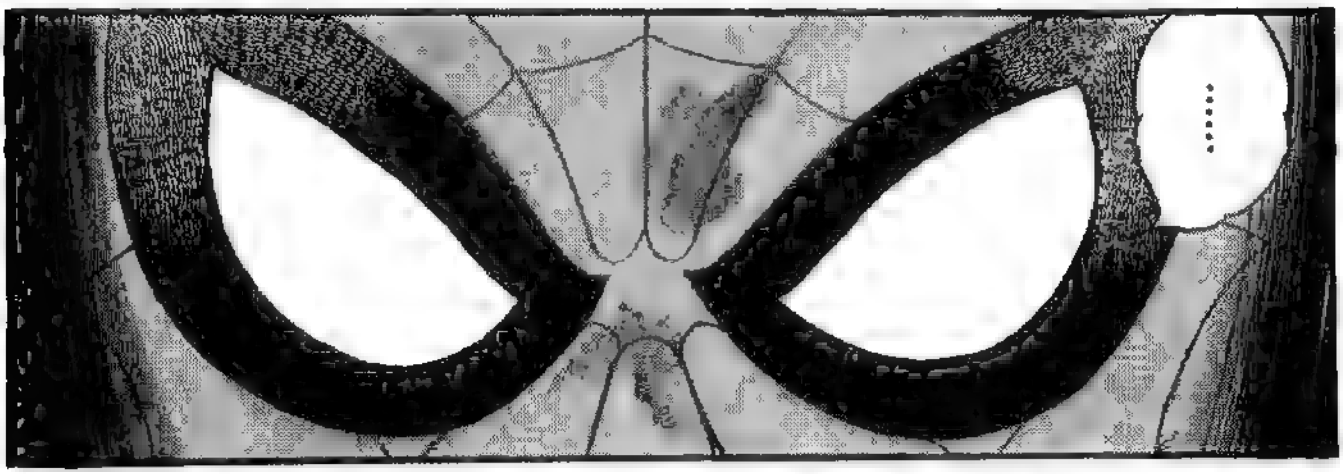
Nothing is impossible for Spider-Man! Nothing!

HAHAAHAHAHA!

Noone but me can protect you!

OMFF

Seek salvation from the mighty Spider-man! I shall resolve all your pain and sorrow!



I'M...
Screw it... screw Spider-man...
Waaugh!!!
RUMI!
I'M...

I don't know how many times I've gone to see Rumi over those three months, but every time...
It's been three months since Rumi left my side and started working at a Go-go Café in Shibuya...

Didn't you always tell me you would study hard and become a prominent scientist!?
Please, go home! This is no place for you to be!

If that's true...
No...

You said you'd become a scientist and contribute to society...
.....

Why don't you study harder!?
You shouldn't be wasting your time here!
You're wrong!

Rumi! At this rate, my impure true nature may come out eventually!
I'm a dirty person! I'm just a lump of impure desires! All I care about is girls!

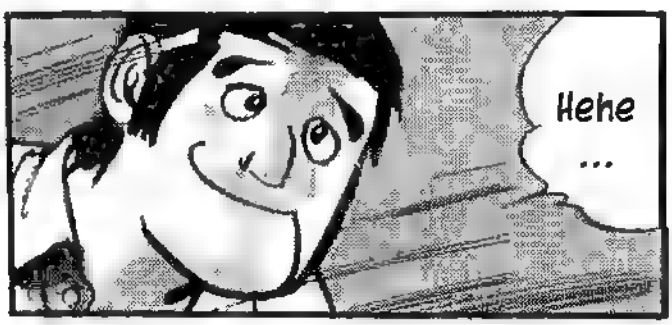
I'm not the guy Rumi thinks I am!
You're wrong!

I'm a failure!
I'm not all that great...

Here!
Kyah!
Kyah!

Kyah!
THERE!
Eek!

Hi-
yah!



Hehe
...

Perverts!
Ohh,
they're
pink!
Nooo!

Ahahaha!
Ahh...

Komori!
.....
Looks like a ruined reputation is hard to get back...
And that's only natural!
She was real scared of you!
She turned pale and ran away when she saw you, didn't she?
...
Because you're a molestor!

Two months ago... I saved a woman who was assaulted by a bunch of men! But...
That woman thought I was one of the molesters, and I was branded a criminal...
Now...it would be really easy to set that straight...
But to do that, I have to announce that I beat up those guys with my superpowers...
Then again...
Right now...
For some reason, I don't care about proving my innocence...

That delinvent group is so nasty!
Did they do that to you again!?
Huh!?
.....
They should all be expelled!
Seriously, they're the shame of this school!
He looks so gentle, but he's as bad as a wild beast!
Hmpf! Guess he feels camaraderie with those worthless guys!
Look! Komori's with them!
I'm...
No...
Come on, don't beat around the bush. Tell us how your woman was...

Komori... I never knew you had nerves like that.
Until now we thought Komori...
Inumaru! You really said it!
Was just an honor student who thought of nothing but studying!

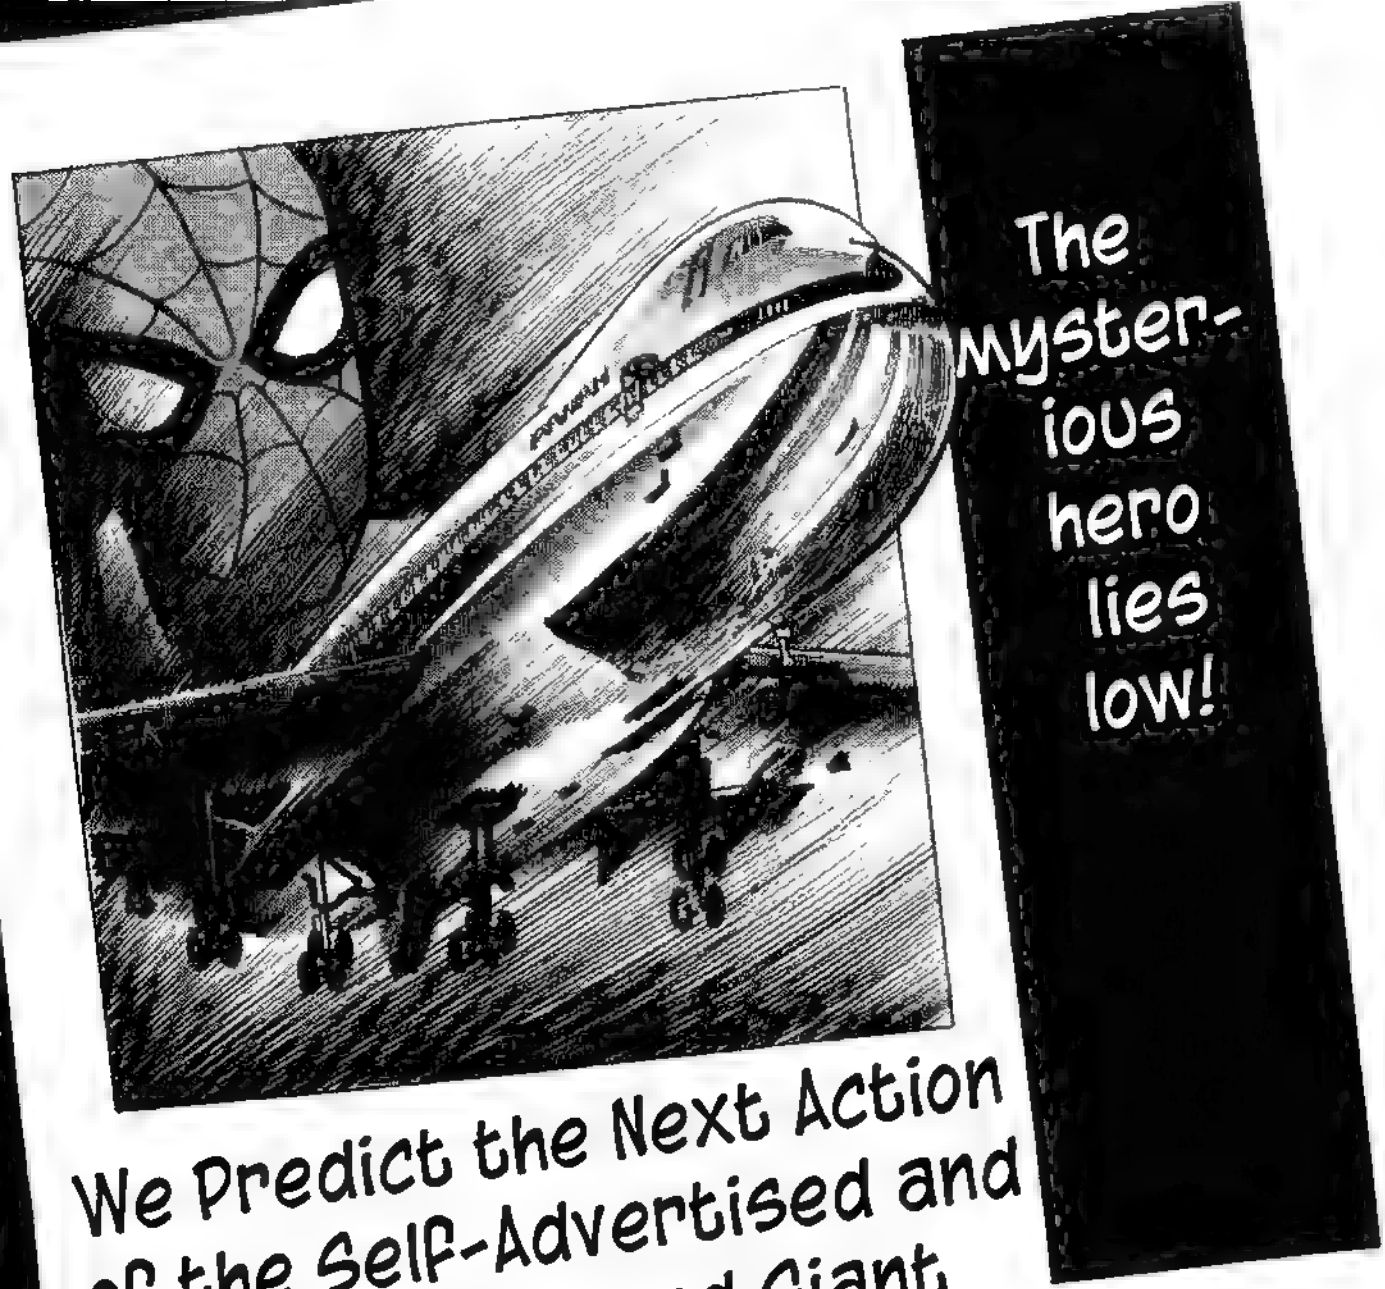
I think better of you now!
He means our playground!
Huh?
Our hangout is down in Shibuya...
.....
Why don't you come down sometime!? There's plenty of fun things there! I'll show you the ropes!
Tch...it's Araki, Inumaru.
Komori!

Yo! what are you doing here?
Well, later... You better come, I'll be waiting!

That son of a...
I was just talking with him...
Huh? That's not it at all...
Yo! don't tell me you picked a fight with him!
They... already are!
That Inumaru's a really terrible badass! People will start giving you looks even if you just talk to him!
Stay clear of him!

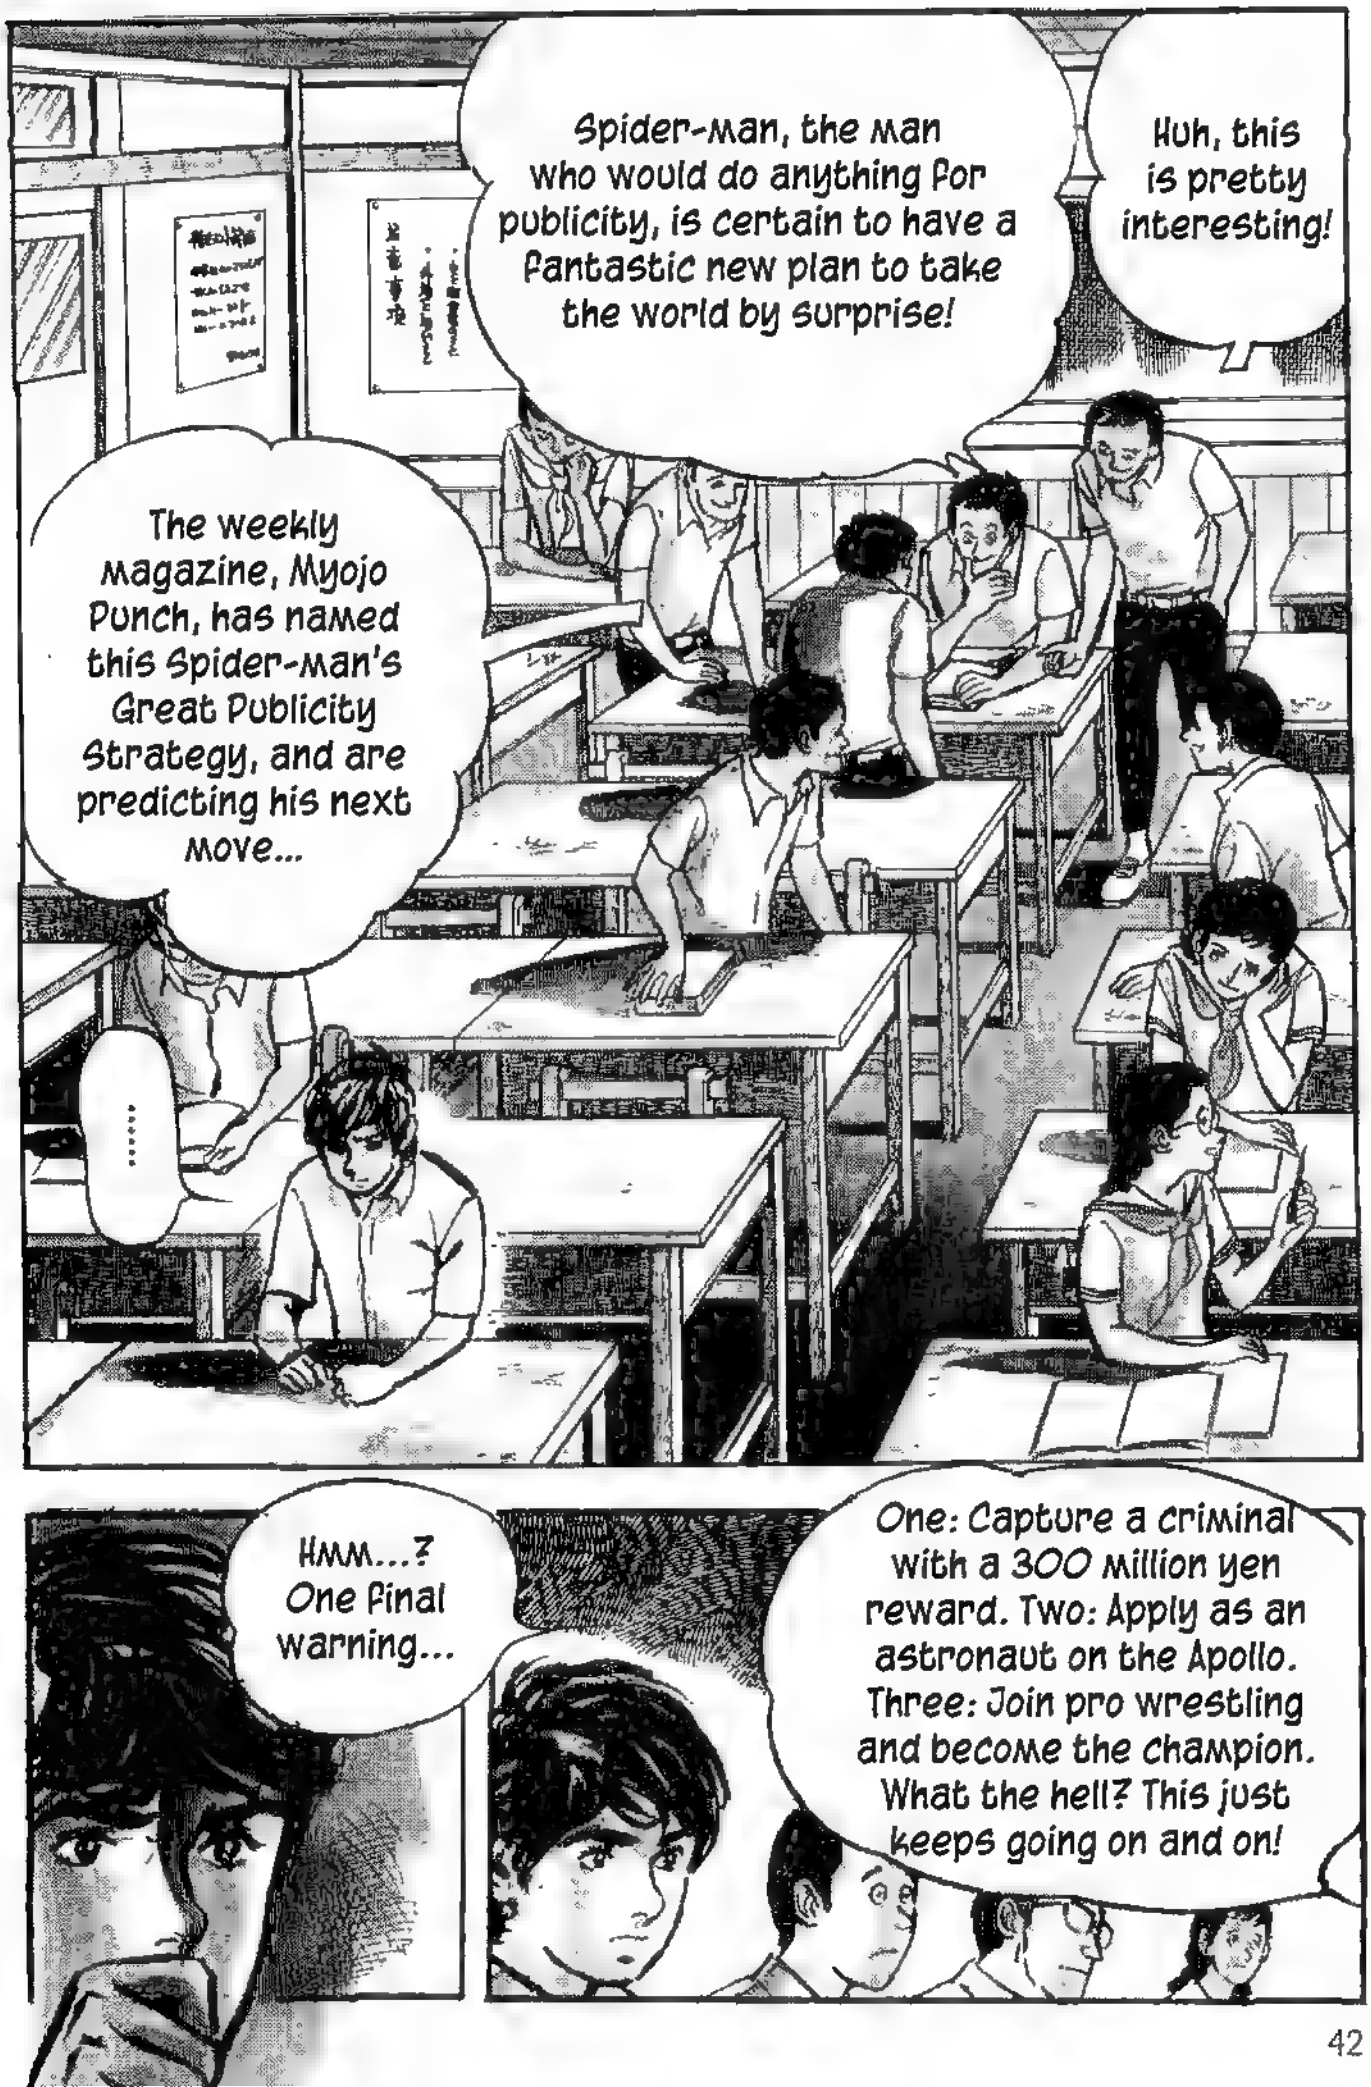
.....
I was there as a witness...
Yu... Why don't you just set the record straight and disprove those false accusations!?
Wait!
I don't care any more...
Why don't you say anything?
Everyone misunder-stands you!
Do you get it?
If you don't do something, that reputation will follow you forever!
What do you mean you don't care?!
Or are you...

Hiding something from me...?
Well?
Is there something you can't even tell your best friend!?
Why hide things?!
Yu...aren't we best friends!?
I don't care about that anymore!
Just leave me alone!
Yu...



The mysterious hero lies low!
We Predict the Next Action of the Self-Advertised and Self-Proclaimed Giant Spider-Man!

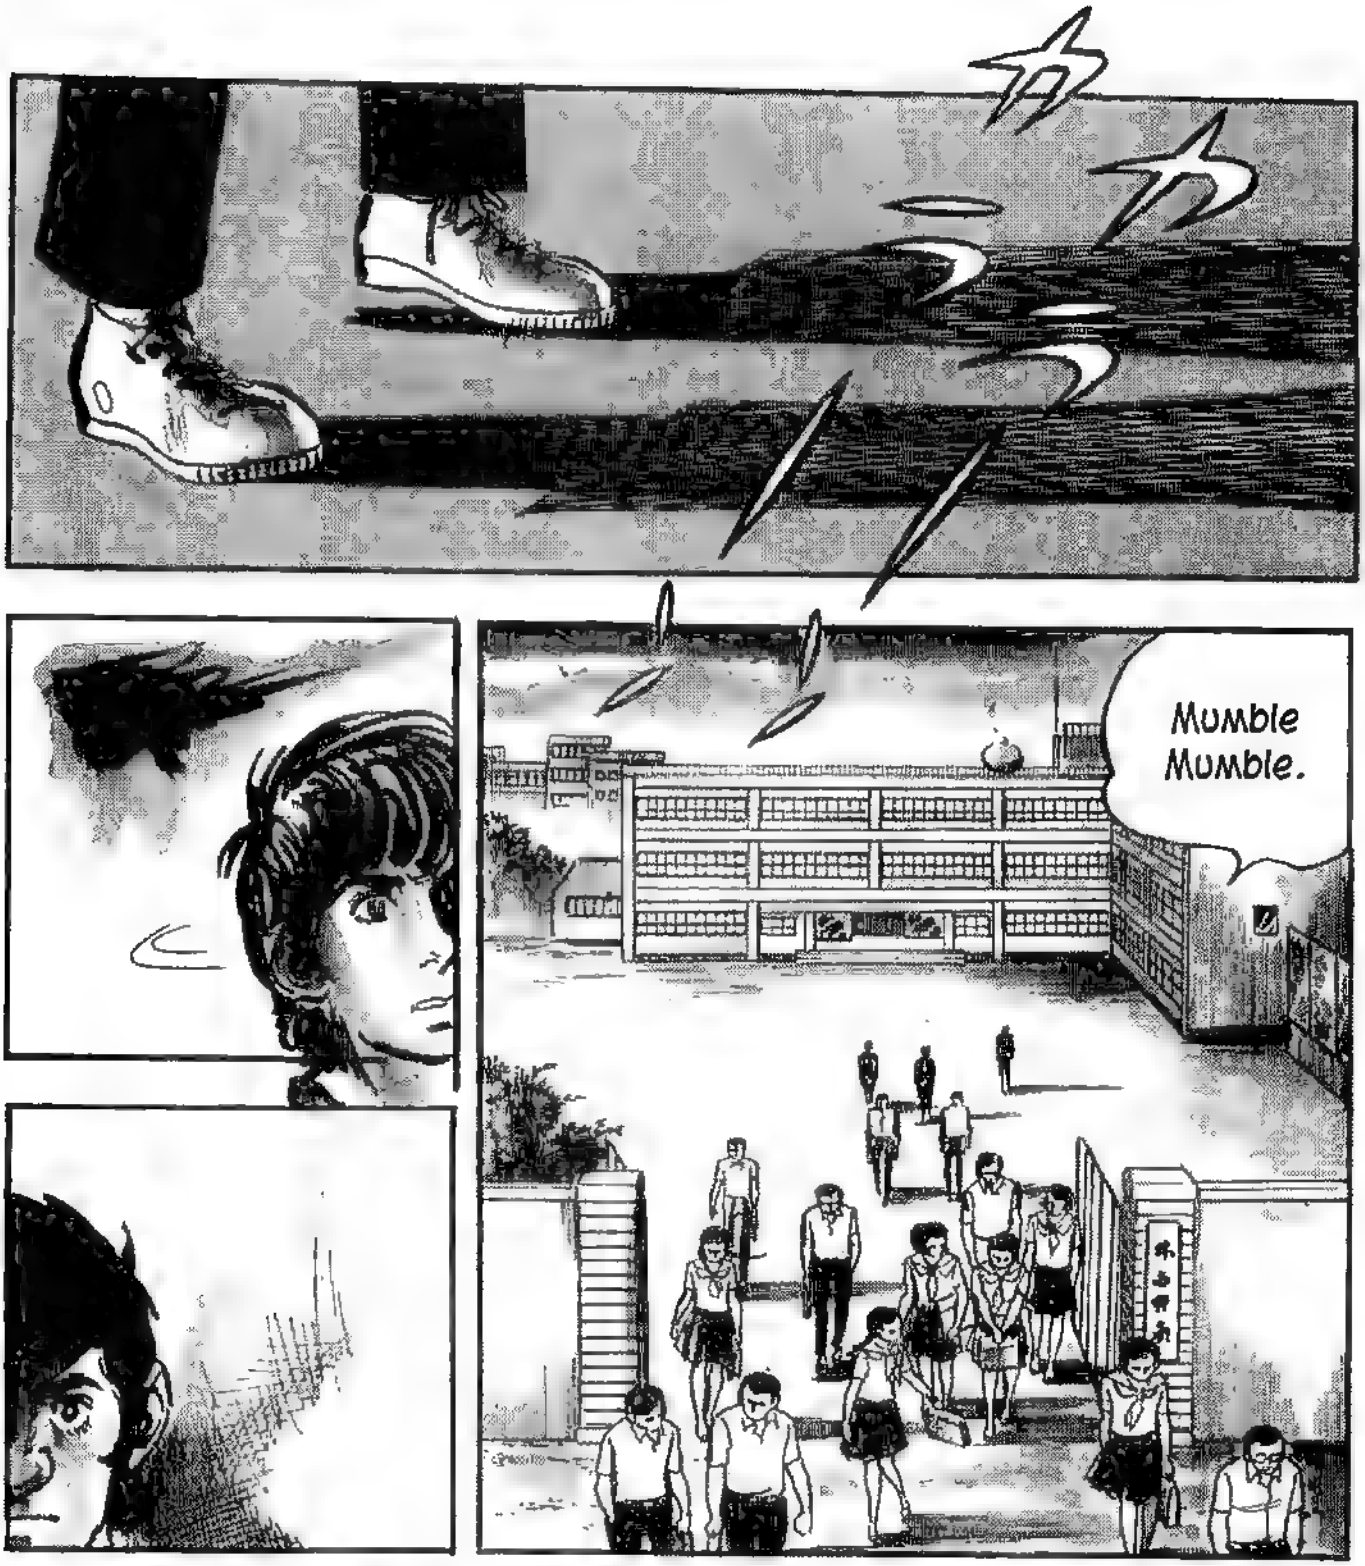
Let's read it!
Hey! there's an article on the spider!
Come to think of it, he's been keeping quiet ever since the hijacking incident.
I guess that was all a publicity stunt...



Spider-Man, the man who would do anything for publicity, is certain to have a fantastic new plan to take the world by surprise!
Huh, this is pretty interesting!
The weekly magazine, Myojo Punch, has named this Spider-Man's Great Publicity Strategy, and are predicting his next move...
.....
Hmm...? One final warning...
One: Capture a criminal with a 300 million yen reward. Two: Apply as an astronaut on the Apollo. Three: Join pro wrestling and become the champion. What the hell? This just keeps going on and on!

There should be plenty only a super-hero can do!
Like end the Vietnam war!
Spider-man, if you want to be famous, do something a little bigger!
then Spider-man, you are no more than a hypocrite seeking your own desires...!
And if you can't do that...
No one takes it seriously. Actually, they don't believe me at all!
No matter how much I act for justice or humanity...
Hmpf.. it's alw-ays this way...
But right now ...
Stand up!
I guess Spider-man is just a strange clown to society!

Sit down!
Can I really say I didn't want any publicity?
Who was the one who was drunk with self-praise, declaring himself the greatest super-hero?
Can I say I didn't want it?
Are you really that great a person?
Please, Yu, stop!
Ah!
Komori!



Mumble
Mumble.
I thought
we were
friends.

We were never friends to begin with, were we!?
But I guess I thought wrong. This is all so stupid.
You never once thought of me as your friend, did you!?
Araki ...
But I've thought about it a lot, and I guess...
Hehe...
But... I...
Everyone has their secrets that they don't want anyone to know...
Not even a best friend has any right to intrude into someone else's heart.

You don't need me, do you?
Wait, Araki!
I was just worried about you.
about your abnormal strength.
About your heart, that's not even trying to prove your innocence... and...
Good bye!

Abnormal strength!?

I'm hiding behind my heroic deeds to fulfill my dark desires... Has there ever been such a hopeless coward as me...?

It would only cause her pain... Her brother died because of Spider-man...
But I can't...
That would make me ...
If only I could tell Rumi how I feel...

Ah, sorry...
Hey, what's your prob-lem?

A filthy person ...
like me deserves pain!
Keep beating me...
Uggh ...
Oof!
It would be like stepping on an ant!
It would be all too easy for me to beat these guys up as Spider-man...
But still...
So why don't I? Do I have a reason I can't!?
Take that!
That's right. I'm...
And they're shameless sons of bitches that would beat me half to death for fun!
I have no connection to these guys... Oof!

W-what the fuck!?
Huh ...!?
We already fucked him up enough... That bastard!
.....!
Hehehe...

If you really want some pain, we'll give it to you!
Don't you fuck with us! Can't you see this!?
Kch!
Hahahaha!
I'm no different...
He he he!
I'll give you a beating!
Just like these cruel, violent people...
I use my power however I please...

I don't need to bear with it at all!
Hold it!
I'm a villain!

Oh, it's just you, Yu...
Inu-maru...

Huh?!
I-Inumaru!
Awaw
ah!

Huh!?
This is my buddy, you block-heads!
Fucking idiots! Put away your knives!
Don't just tell me you didn't know!
R...right!
Sit down! Right there on the ground!
Yeah ...
Are you alright ...?
Looks like they really did a number on you, Yu... Your face is even out of shape.
.....

Come on, ass-holes! Hurry and apologize!
It's fine really...
I'm sorry. I guess their apology won't make you feel any better, but please let them off the hook for my sake.
We're sorry!
I'm sorry!
Please forgive us!
But I'm really surprised that you have influence around here...
Here, wipe off your face.
You really got shafted, didn't you...?
Come with me!
But more importantly, Yu, you can't walk alone in your condition.
Look after...?
Oh, those are just some guys I look after...

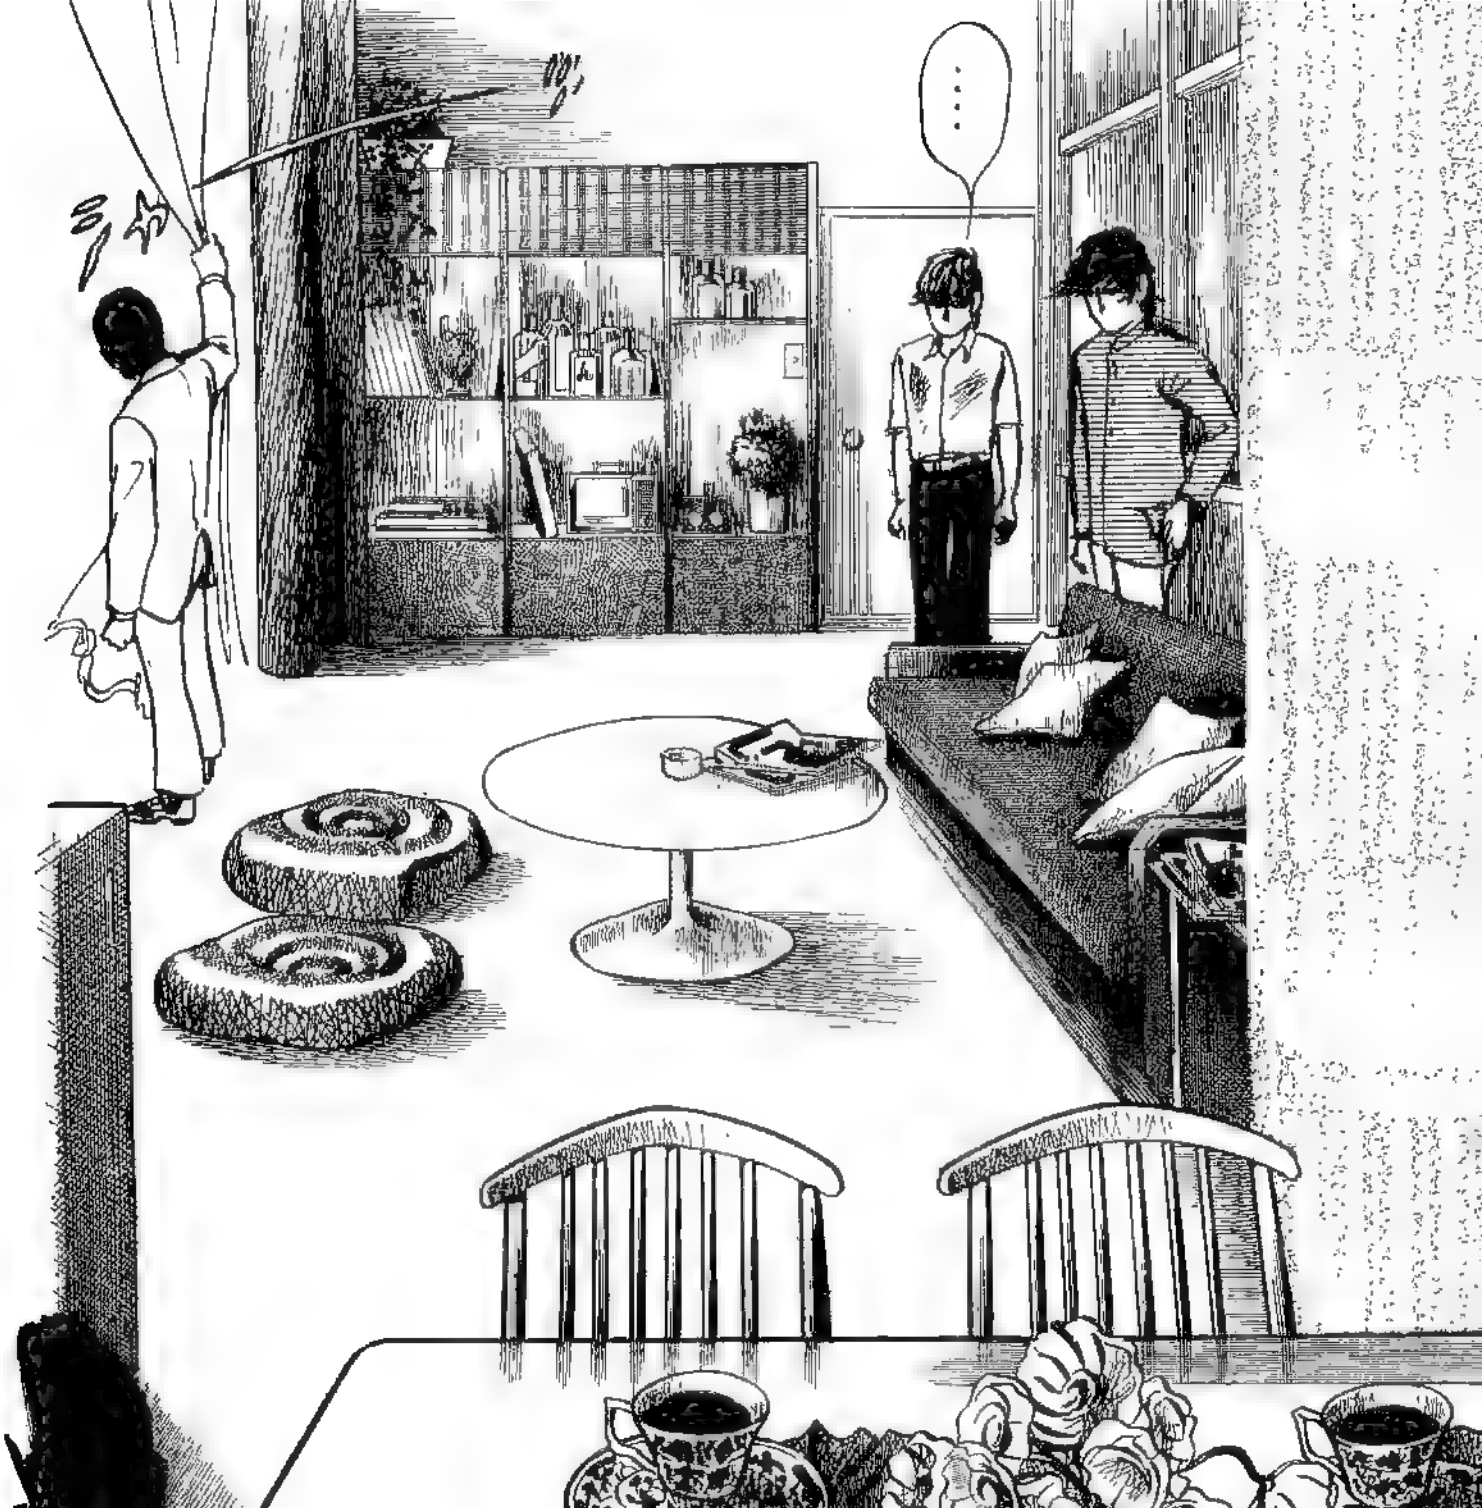
NIKKA



There's hot water in the bath-room.
There's no need to hold back. Go wash your face.
Oh... nothing...
Yu, what are you spaced out for?

Why is he so nice...?
And what's with this apartment...?
Here, put this on. Your shirt's all worn-out, isn't it?
Go right ahead. I have plenty of these.
It's yours if you want it!
This looks really high-class!

I never imagined your hangout was such a luxurious apartment...
This is really a surprise.
Shh!
Tch! I don't like how much attention Bro Inumaru's giving that kid!
You must really be rich!
Rich, he says... Well no shit!
H-hey!
Even look good in the right clothes ...
R-really...
Yu, those clothes look good on you. You look a lot manlier.

It's a total waste on the kid!
I won't say it again!
I-I'm sorry!
I'd like to talk to Yu alone. You guys leave.
Well, as long as you remember...
He's your buddy,right!?

Well, yeah!
Are they all your lackeys ...?
Were you really ready to fight...?
You didn't even flinch when you had four or five guys coming at you with knives! You were actually kinda cool!
Still you've got more nerve than I thought...
Hahaha!
I think it's a good thing you came by.
....I don't know.

Gimme a smoke.
This is Yu. He's my buddy from school.
It's not like you can see me whenever you want to... Hey, this guy's handsome!
But you're happy to see me, right?
You're not a pretty sight today.

Oh, don't be so cheeky!
This is Chiko. She may have a sharp tongue, but she's a good girl at heart.
He doesn't look like a bad guy like you. He seems pretty shy. See, he's blushing... Nice kid, isn't he?
I came here because I heard about you guys!
Nothing good will come of it.
Hey... You probably shouldn't hang around guys like Inumaru.
Thanks for letting me borrow your bed!
That's how she always is. She's got a pretty simple mind, and that's what makes her interesting.
Tch... She really bites, doesn't she?

Goodbye, Yu! I hope we meet again!
I'll stop by again!
Well, see you later.
And she's a university girl. Isn't she a strange one?
Huh?
She seemed to have a thing for you, Yu. Maybe she'll give you a good time one of these days.
She's pretty.
AHAHAHAHAHA HAHAHAHA!

Huh...? Tonight? That's a little...
I see. Well, I'll do my best.
But a Mustang's too hard on short notice... A domestic car would be a lot easier...
Yes... Got it, I'll have it in two or three days...
I'll find it somehow...
No, I'm not refusing.
And I thought we could have some fun together ...
Sorry, Yu. I got urgent business...

!!!

What's with all this money...?
I'll be back by morning.
Just take it. And if you don't have anywhere to sleep tonight, feel free to stay here.

What kind of job does he really do!? And... What does he have to do with Chiko...!? Why is he so kind to me...!?
He looked like he was a car broker or something... But Inumaru, who's just a high schooler, has a bunch of lackeys following him, lives in a high-class apartment, and keeps thick wads of bills stuffed in his pocket...

What's the matter, Yu?

Everything about Inumaru seems charming to me... And... He's not a hypocrite...!
Anyway!

Come with me!

I'm borrowing them. They don't fit me, do they?
Those clothes....

Same goes for you, Rumi...
You look like a different person when you wear that, Yu!
It's not fun at all!
It's not as easy as it looks!
I'm not wearing this because I want to! It's so I can live!
This is for business!
What am I here for...? I'm here to see you...
What are you really here for?
I'm not the person you think I am...
Rumi...

But I was a child then! I actually believed that back then... Hahahaha!
I said I wanted to be a scientist and contribute to society...

Yu...

That's my true nature...!
I say all these nice-sounding things, like doing things for society, but in the end all I want is fame and fortune.

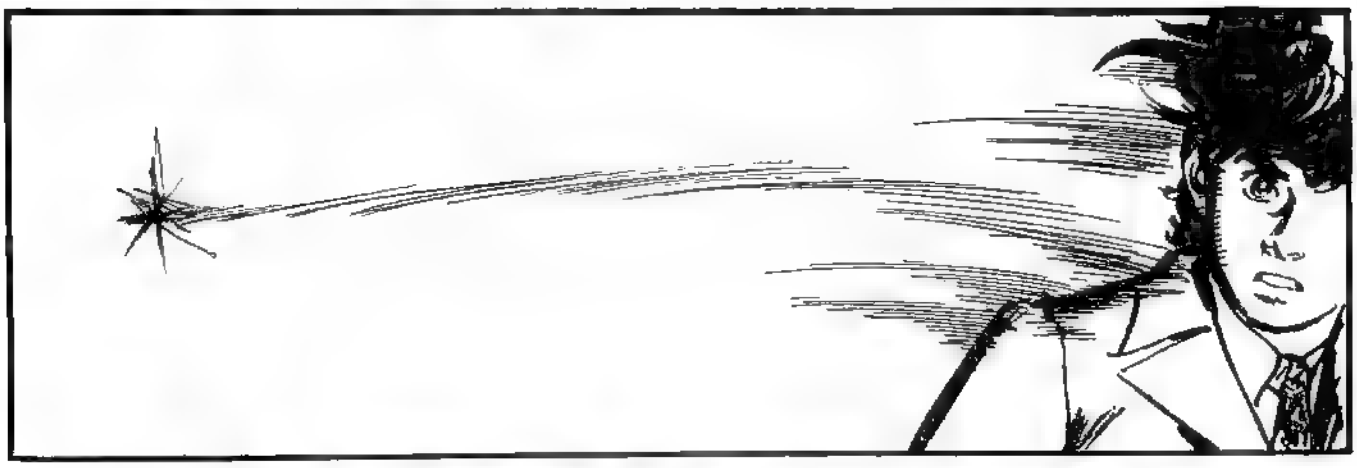
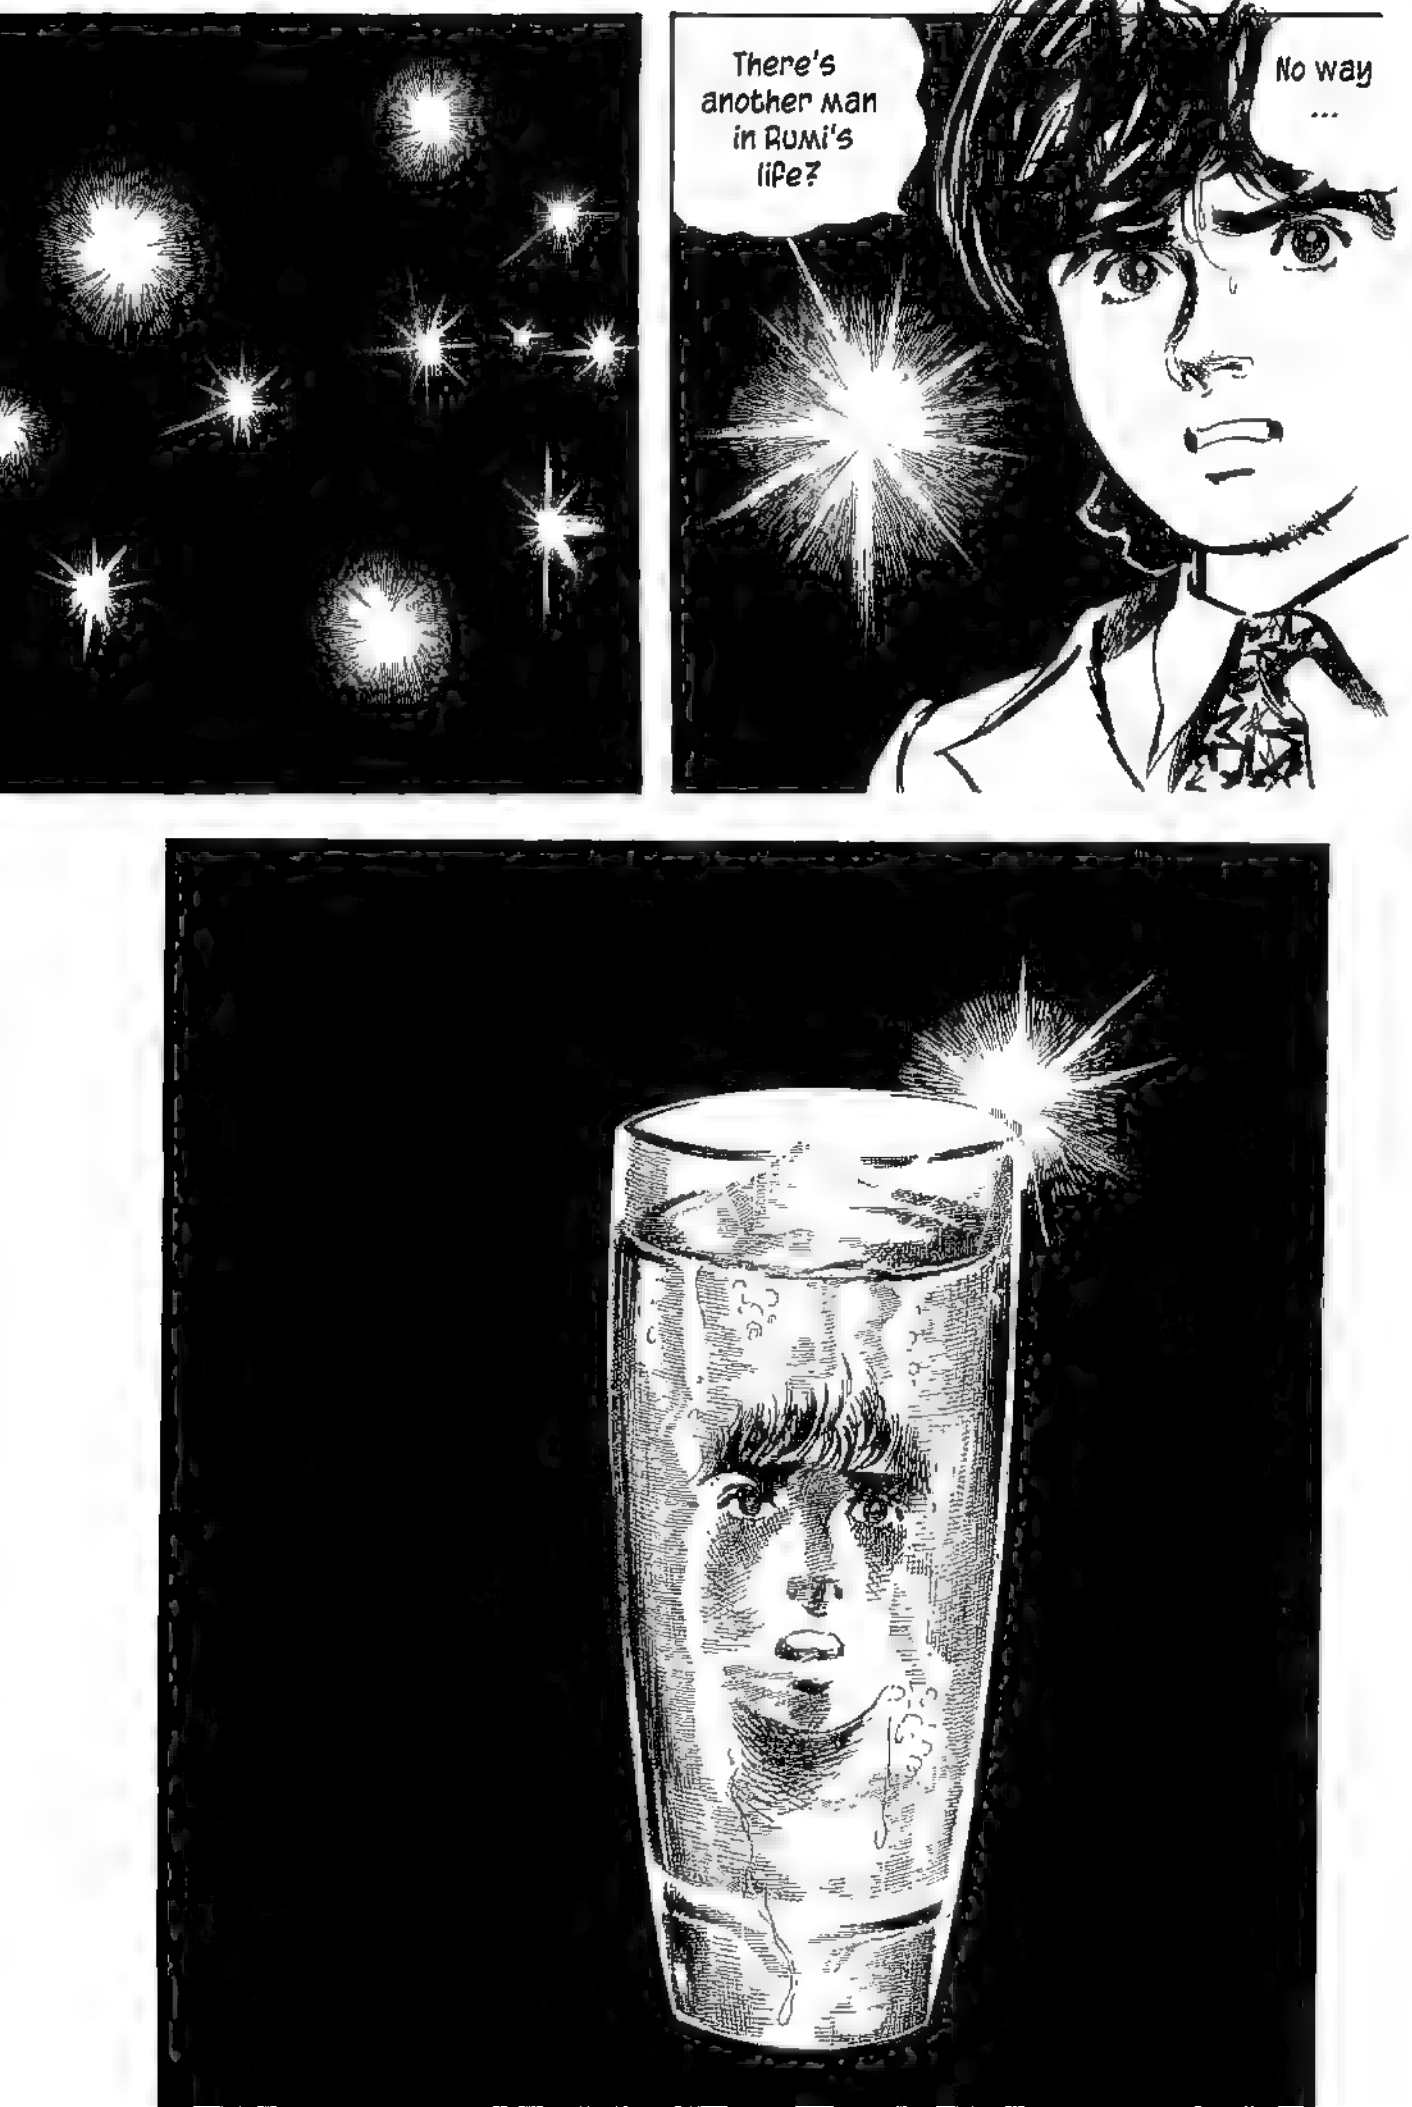
I need to talk to you!
Wait, Rumi!
Go home,kid.
Rumi!
Stay away from here. Even if you come, I won't see you.
And it's bad for business when a penniless brat comes in to drink juice.
You've got school, don't you? Don't come to our store anymore. The police get mad when we let kids in.

37-35



But don't you think that was a little hard on him?
I don't mind.
I'm sorry I had to ask this of you, Manager...
But don't you like that kid, Rumi?
It's fine. That's better for him anyway.
But I guess that's one of your good points...
You'd back out for the happiness of the one you love... You're pretty old-fashioned...



There's another man in Rumi's life?
No way ...

Where am I, and what the hell am I doing!?
What's going on!?
Whoah!

Lalala...

Urrrgh...

Ahahahahaha!

Hang in there....

Everyone here is Inu-maru's friend...

I... wandered through the city at night... and somehow ended up at Inumaru's apartment...

I see ...

Mari... juana...?

Come on, you just smoked a little bit of marijuana...

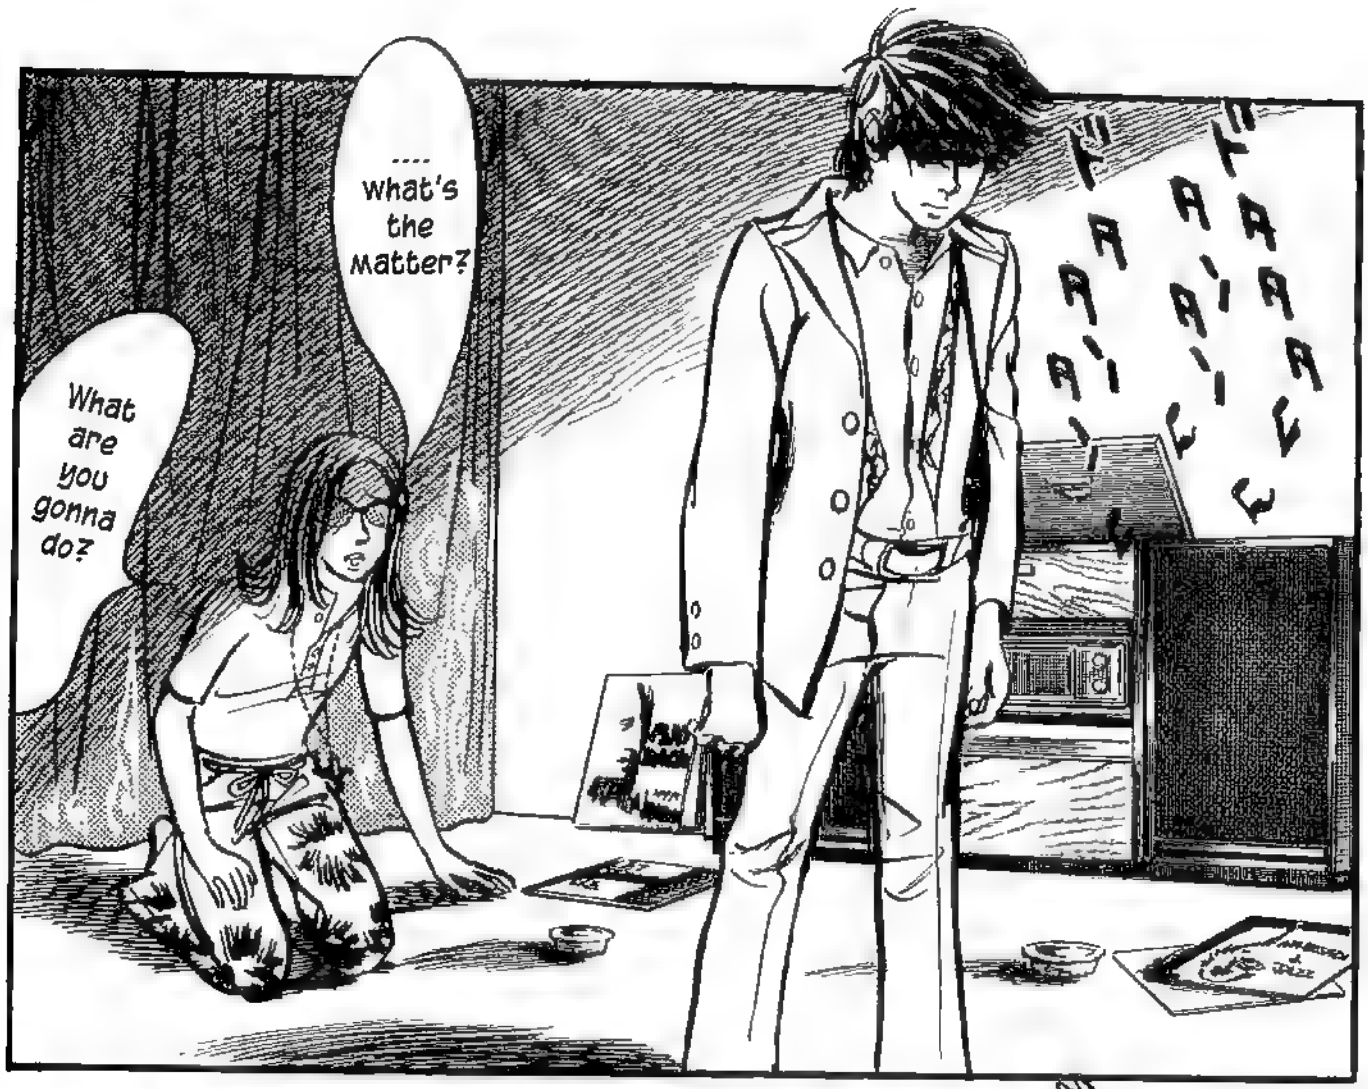
Ahahaha!
Great!
!!0
Hahaha...
That girl's lost all her shyness!
.....
.....
You were smoking it pretty intensely though...
Isn't this your first time at a marijuana party...?
It brings you to a world of pleasure...
But of course... Marijuana lets you forget all your troubles...

Of course, girls these days have meek faces, but when the time comes, they can do crazy shit...
Still, she's pretty bold for a new-comer...
No! What are you doing?
Haha! Well then, what did you come here for!?
Let me go! This isn't what I came here for!
Now, let's take her to the bed!

Inumaru's gonna be pissed if you use the bed without his permission!
AIEEEEE!!
I don't give a fuck! He won't be home for a while anyways!
Stop!
That girl's not a kid. I bet she's enjoying it.
Hehehe... Don't let it get to you. This happens al l the time.
They're all the same...
She'll only scream at the beginning.

Rumi must be with that man by now...
You're pretty cute...
Hey, stop making such a serious face! Let's have some fun!
No, so are men... And so am I!
Women are all the same...

I was so ignorant that I didn't know that! Hahahaha!!
Everyone's like that!
Hahahahah! No one's gonna come for you!
Aieeeee! Somebody! help me!
Hehehe...that's right...everyone's hears are...



What are you gonna do?
.... what's the matter?

No...

I don't want this!

Everyone's crazy!
every-one's..

What's wrong?
.....
Somewhere you've never been before...
More importantly, where are we going...?
Oh... it's nothing.

Some where I don't know.
An unknown world...and Inomaru already knows about it!
At his apart ment...
Last night...

Hurry and get on the bed!
Stop it!
The party!

Aieeeee! Somebody come help!
But what's wrong with baring your desires!?
GYAAAAH!
Hahahahah! No one's gonna come for you!

Everybody is filled with desire!
She only screamed at the beginning!
I'm the same.
HELP MEEEEEEEEEEEEEEEE!
And so is Rumi!
She's left me to go with that man...
う……

Uwaaaa aaugh!
W...
What the fuck are you doing!?

My head flew into a rage and I was overcome with an impulse to beat their faces in.
For some reason, I kicked down the door and drove them out.

Don't get cocky asshole!
I felt like everything had gone mad.

I know that!
S-stop! That's Inumaru's gun!
And he's Inumaru's buddy!
Shut up!

The fuck? It's empty!
I think I'll aim at your heart.
Welc-ome back.
Idiot!
Urgh. ...
Ahaha!
Stop!

GYAAAAAAAH!
I...I thought it was empty!

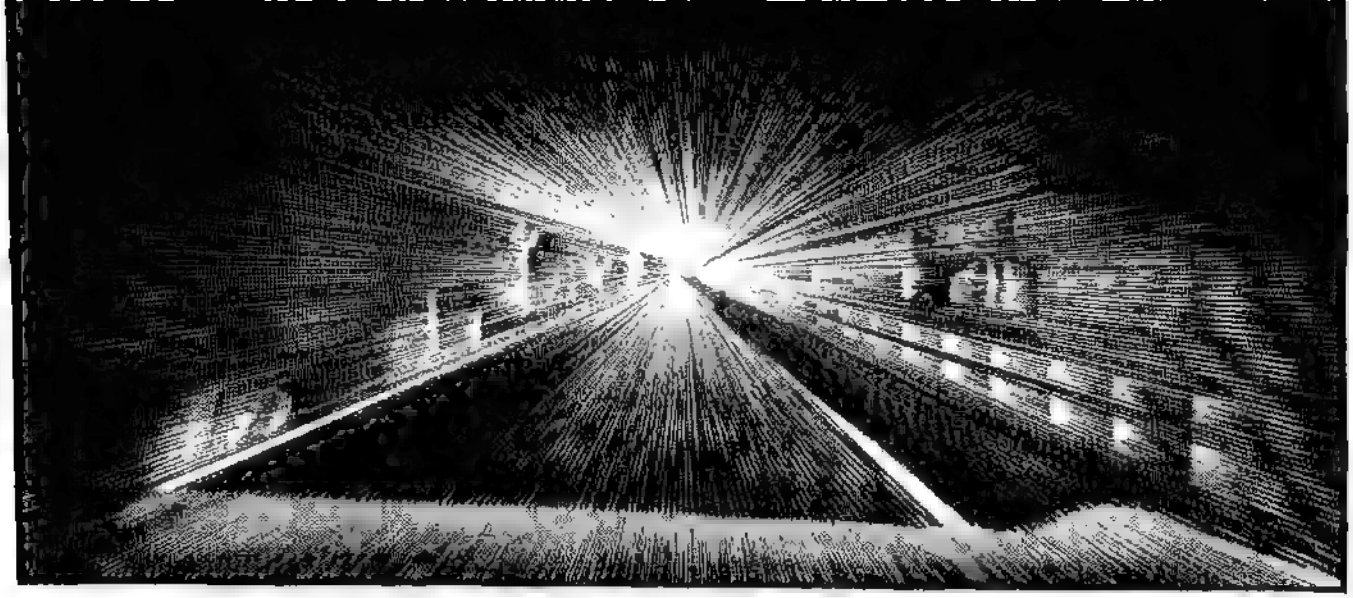
It's true! Trust me, Inumaru!
I didn;t mean anything wrong!
AIEEE!
If you abandon me now...
Spare me!
I just felt that you've been hating me ever since that guy came...
And I Just...
Everyone just get out!
.....

Damn junkies!
Wait, yo. You can stay...
I won't forget this.
I really owe you one. You saved my life...
That pistol ...
It misfired when he aimed at me...

.....
Anyway... That really gave me the chills. What a crazy guy.
It didn't misfire! I always keep the first chamber of my barrel empty,
just so it doesn't go off by accident.
For protection if I need it. Like if the Yakuza wanna pick a fight with me...
Why do you have that on you?
They calm down when they see this.
Shut up! How would you know!? Are you trying lecture me!?
That sounds dangerous! I bet it'll be dangerous if the police hear about this!

You surprised me!
More importantly, I guess you're a lot stronger than you look, Yu.
sorry about that. I just came back from something stressful...
Heh heh heh..
Do you know karate or something?
N...No.
So, Yu, want to team up with me?
Team up...?
Well, it's fine...
Hehe ...

What do you say?
Become my partner and make some money! I'm sure we'll be successful!
Hehe..
What would we do?
Let's go to sleep... The sofa's really comfy.
I'll tell you eventually.
Haha.



Huh?
Well, Yu, you finally gave school a rest...

We're almost there...
Haha ...

If you abandon me now...
Spare me!

So why am I drawn to Inumaru like this?
...I was in despair when I saw how ugly people were...

They can only feel safe when they're with other delinquents...
Once someone is labeled a delinquent..
He was probably a delinquent like me in school, and shunned by everyone around him...
He had to be a high schooler, too...
No one can live all alone!
Th-at's it!
Is that he has a strange charisma!
But that's not all... The reason I'm drawn to Inumaru...

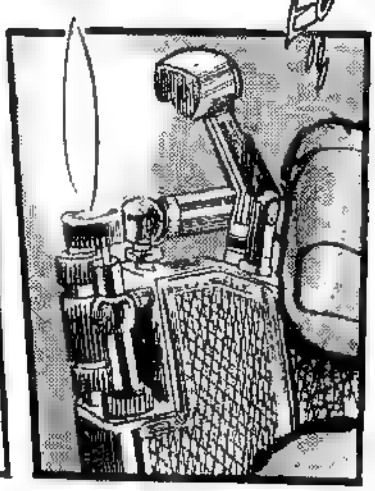
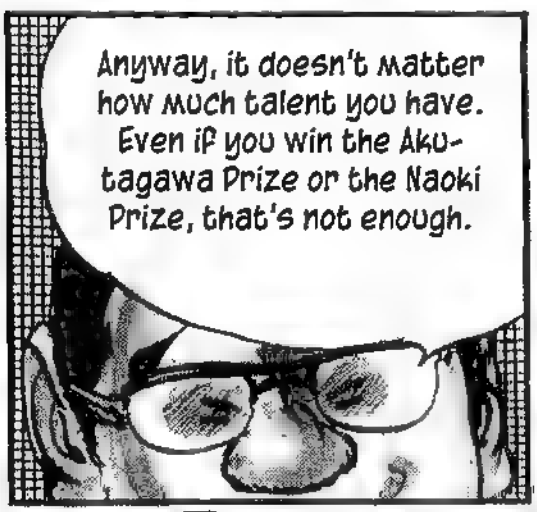
Sup!
Yo!



I've got a big debt to you, after all.
Now, drink up. We have Scotch and everything else here.
You're pretty well-connected, aren't you?
This is a key club where plenty of the media favorites gather.
Hehehe... Well, isn't that interesting...?
You greeted people on TV or in news magazines so casually...
Look. There's Ohara Takehiko there.
It's full of popular writers, composers, singers, critics, TV stars, and manga artists.

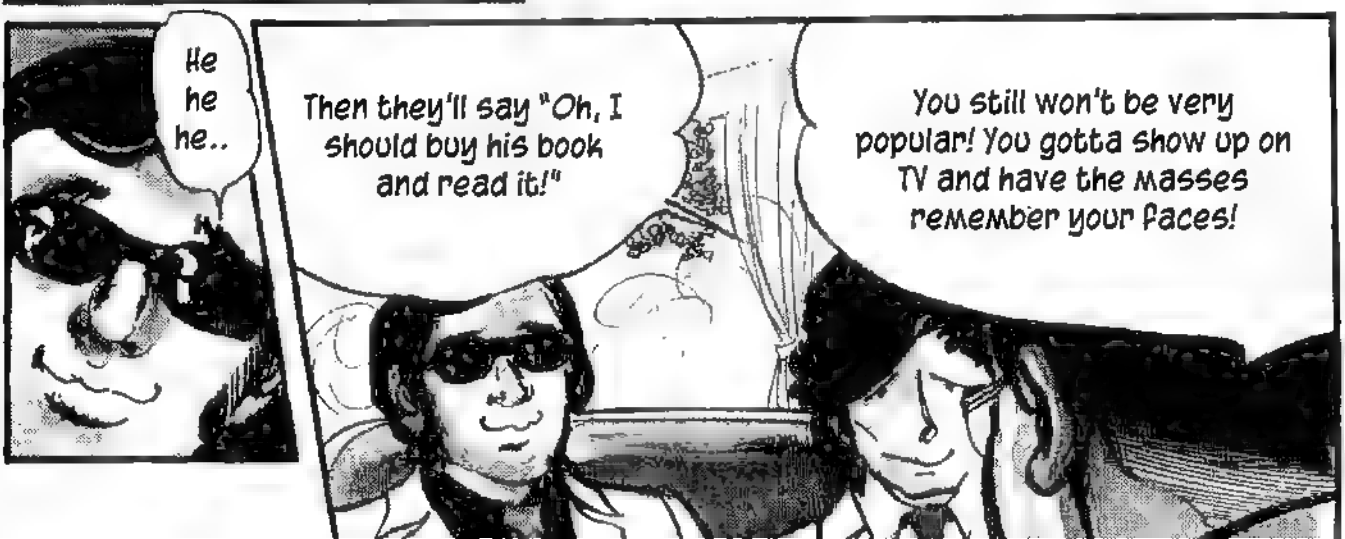
He appears on TV every day. He's a celebrity about as popular as Maetake and Kyosen.
Isn't Ohara the super-popular TV host?
He's even an outcast among us.
He's just too good at shows and bluffs.
Ahhh... He's so conceited, thinks he's the most intelligent and cultured man on TV...
Hmpf... Who gives about Ohara?
Look at him. Deep down, everyone's making fun of him...

He thinks there's no one in the world as popular as him.
He doesn't even realize he's a thick-headed fat Midget.



Anyway, it doesn't matter how much talent you have. Even if you win the Akutagawa Prize or the Naoki Prize, that's not enough.

Ahahaha!
Good job!



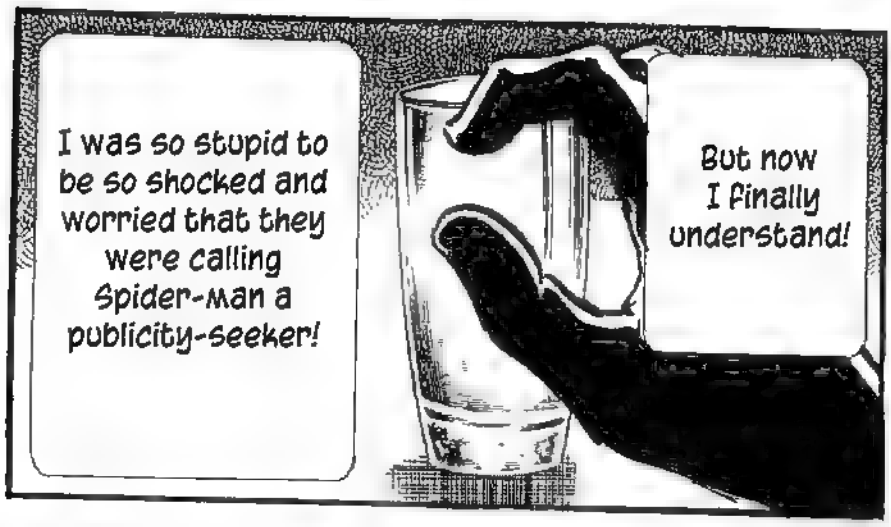
He he he..
Then they'll say "Oh, I should buy his book and read it!"
You still won't be very popular! You gotta show up on TV and have the masses remember your faces!

It gives the masses a sense of affinity for you!
After all, TV's a great way become popular! You can even just sing one song, like that guy with the dark glasses!
What's wrong with calling it self-advertisement? Everyone wants to become famous and make money!
In this age of media, anyone who can't sell himself is worthless!
Quite frankly...
You may as well have people calling you the king of publicity!
What do you all say?
Hehehe... That's what everyone's like. As proof, no one ever turns down a chance to come on my show.
Hey, yeah! King of publicity! Publicity all the way!

I'll go on right now!
I wanna be on!
I'll be on!
Ahaha! It's almost like a bathroom!
By the way, what about Spider-man?
Spider-Man?
Has he asked to come on your show yet?
Well, look at the time.
Haha.
Uhh ...
Am I wrong...?
There's gotta be ways of becoming famous without being on your show.

Ahahaha....
I'm going, too.
We should have another drink some other time.
Let's go.
ガヤガヤ

Next time they ask me, I'M not letting them on my show!
What are they talking about? Those clowns of the media will lose popularity right away if they don't sing some shitty amateurish songs...!
ぶるぶる
So this... is the true nature of a media celebrity?
What's so great about that street-performing spider, anyway!? Whatever he does now...
...And to hell with Spider-man! They gotta be kidding!
I'll bash him on my show!



I was so stupid to be so shocked and worried that they were calling Spider-man a publicity-seeker!
But now I finally understand!

He's so ugly I can barely watch...
And he's so shameless! He's not even ashamed of his snobbishness, in fact, he flaunts it!

that of course they'd treat Spider-man as a patient of publicity!
The media's become such brazen and unscrupulous publicity-seekers...

everybody laughs in scorn at publicity-seekers!
And deep down...

Chiko!

We meet again, Yu.

If you've got some of that, give me some...
I know this is quick, but I've been looking for you, Inumaru.

How many do you need?

Yeah. There's a party tonight.
Right now?

I'll be right back, Yu. Keep her company for me.
Okay. Wait half an hour. I'll get them for you.
I'll take care of the kid!
What's the deal, Yu? Did you become Inumaru's partner?
I-I'M not really ...

How did someone with such pretty eyes become Inumaru's friend...?
You have really pretty eyes.
Inumaru's a dangerous person! Do you know what he's gone to get now?... Marijuana!
No ...
Yu, do you know what kind of person Inumaru is?
Yes. Inumaru's a marijuana and LSD dealer.
Mari-juana?
But you're ...
He's no ordinary delinquent...
He's done many other bad things. He's really terrible for his age. Once you join Inumaru, your whole life is ruined...

I know how to deal with Inumaru! He won't lay a hand on a woman...
.....
Though it's the tough and determined charm of a villain...
But Inumaru has a strange charm about him.
I'll take you home! You have to leave now!
Anyway, you have to get away from Inumaru soon! If you waste any time, you'll never go back!
I don't care about him right now anyway.
It doesn't matter if Inumaru comes back.
Why are you hesi-tating?

Don't say a word.
Who are you people?
What are you doing?
You're Inu-maru's woman and buddy, aren't you?
Pipe it down, or we'll tear you a new one!
Hehe... Bullshit.
You got the wrong people!
